Item 8.01

Other Events

On May 31, 2023, Coherus BioSciences, Inc. (the "Company") announced that the United States Food and Drug Administration (the "FDA") has successfully completed the required pre-licensing inspection of partner Shanghai Junshi Biosciences Ltd.'s ("Junshi Biosciences") toripalimab manufacturing site in China. The Company believes that the three observations received at the close of the FDA inspection are readily addressable and, together with Junshi Biosciences, plans to submit the response to the FDA in early June. The Company is planning the commercial launch of toripalimab in the United States upon approval.

This description contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, statements regarding the Company's ability to address FDA observations and regarding timing of a response and any commercial launch. These statements are based on management's current expectations and beliefs and are subject to uncertainty and changes in circumstances. Actual results may vary materially from those expressed or implied by such statements due to the risks, uncertainties and other factors described in the Company's filings with the Securities and Exchange Commission. The "forward-looking statements" included in such information are made only as of the date of this report. We do not have and do not undertake any obligation to publicly update any "forward-looking statements" to reflect subsequent events or circumstances, and we expressly disclaim any such obligation, except as required by law or regulation.

SIGNATURES

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
